Depending on the incident and upon review Tempe Parks and Recreation reserves the right to determine the length of the suspension. Each incident will be reviewed and the team manager will be informed of the decision within a reasonable length of time. **Teams suspended, from a league, for violation of the Sports Code of Conduct are not eligible for entry fee refunds.**

**Protests Regulations:** Only protests regarding ineligible player(s) or rule interpretations will be accepted and considered valid. Protests involving the judgment of an official will not be given consideration. The team manager is the only participant allowed to file a protest. The manager must call time, before the next pitch to the next batter, and inform the umpire of the intent to protest. The site supervisor and umpire will confer if necessary. ALL DECISIONS BY THE SUPERVISOR OR UMPIRE ARE FINAL. **In all protest situations, the game will continue.**

**Team Roster:** All players must be at least 18 years of age prior to participating. Team rosters may contain not less than **twelve (12,)(no exceptions) or more than twenty (20) players.** The fully completed and current roster(names, addresses and phone numbers) must be submitted at the time of registration.

Player eligibility challenges are considered protest situations; refer to league rules & regulations.

Parks and Recreation staff will conduct periodic roster checks. For roster checks, at the fields, players will be requested to provide identification, which reflects information provided on the team's roster. If a player cannot produce identification, they will be considered ineligible.

Falsifying a roster, playing with ineligible players or compromising the registration process will be considered unsportsmanlike conduct and may result in forfeiture of games, loss of tournament participation and/or loss of softball program privileges. Team managers are responsible for roster authenticity. ***Work addresses are not acceptable.***

**Player Eligibility Challenges:** Team managers and field supervisors may challenge the eligibility of any player according to the guidelines below. Player eligibility challenges are considered protest situations and must be made as per the below guidelines. Any player challenged must provide identification or proof, which reflects information provided on the team's roster. If they cannot produce identification, they will be considered ineligible. Field supervisors may challenge the eligibility of any player at any time prior to or during the game. An eligibility challenge instigated by a field supervisor may not evoke a return challenge by the team being challenged. Team managers may challenge the eligibility of an opposing player under the following guidelines:

1. Time will be stopped.
2. Challenge must be made prior to the end of the third inning or prior to the thirty-minute point on the game clock.
1. Team A may challenge one player of team B.
2. If the team B player produces the proper identification (as stated above) the challenges from team A is over.
3. If the player cannot produce the proper identification team A may continue to challenge team B players until a team B player produces proper identification or a maximum of four players have been challenged.
4. TEAM B may then challenge team A's players under the same guidelines.
5. Games will be continued after the ineligible players have left the playing field and both teams have the minimum number of eligible players to proceed.

**League Play Roster Challenge:**

1. During the first six weeks of the season the ineligible player(s) may be added to the roster in accordance with roster revision guidelines. If the player(s) cannot be added to the roster they will be considered ineligible which might result in forfeiture of game, loss of tournament participation and or loss of softball privileges.

4. Parks & Recreation staff will review incident and issue a decision within two business days..

### **Tournament Play Roster Challenge:**

1. Decisions will be made at the field. Being declared ineligible indicates the player has not been able to produce identification, which reflects the information on the team's roster. Because of the timing, this could be critical during tournament play.
2. Teams using ineligible players during tournament play may be dropped from the tournament at the time the ineligible player(s) are confirmed if player(s) have contributed to 2 or more of the teams RBI.
3. Rule of thumb: Encourage players to bring identification to all games.

Penalty: Participants or teams under the influence of alcohol or drugs or found consuming alcohol in the park (dugout), including parking lots, will be suspended from the current and any subsequent games on the same day. After review the player(s) and team may be assessed further suspensions and possible forfeiture of games **won**.

### ***BEFORE THE GAME RULES & REGULATIONS***

**Game Time:** Each game is scheduled for a one hour window, with no new inning to start after 55 minutes. Every evening there are four games played on each field. The objective is to keep the games moving so games three and four are as close to being on schedule as possible. The game clock will start after the umpires have communicated the following procedure:

The umpire will on two occasions, from the field, ask the home team to take the field. After the second request the umpires will take the field and instruct both teams that the clock will start. It is the home team's responsibility to take the field in a timely manner and the visiting team's responsibility to step to the plate in a timely manner. At this juncture the time you waste is your game time.

After the umpire announces the clock will start there shall be no additional warm up activity allowed except that the pitcher is allowed two warm up pitches. At this point the batter should be ready to step into the batter's box. Remember, the clock does not start with the first pitch, but when the umpires have communicated the above procedures. If the umpires do not communicate the above procedures please call or email the Parks and Recreation office the following day.

**Tournament:** Championship games will be 70 minutes.

**Minimum Number of Game Players:** Teams must have a minimum of eight (8) players to begin and continue a game.

**Forfeit:** A **TEN MINUTE GRACE PERIOD** will be given to all game times. The 10 minutes will come out of the 1-hour game time. Teams that must use the grace period, waiting for an eighth player, will be penalized two (2) runs. If both teams use the grace period, no penalty runs will be awarded. The game will start when both teams have eight (8) players present. **The term "present" means the player must be in the dugout for the visiting team or on the field for the home team - at the 10 minute mark. The term does not mean player(s) in the parking lot, walking from the parking lot or changing his/her shoes in the dugout.** On a teams second forfeit they will be dropped from the league and replaced with a team from the waiting list.

**Home Team:** The second team on the schedule will be the home team. Higher seed will be home team for all tournament games.

**Weather Conditions:** Decisions on rain-out games can usually be obtained after 3 p.m. by phoning the **SPORTS HOTLINE at 480-350-5293**. If unplayable conditions are known earlier in the day the Parks and Recreation staff will make every effort to contact coaches. Cancelled games will be made up at the end of the regular season, when possible, and teams will automatically play the next week's games per the current schedule. **TEMPE PARKS AND RECREATION RESERVES THE RIGHT TO ADJUST LEAGUE OR TOURNAMENT SCHEDULES OR FORMATS DUE TO INCLEMENT WEATHER CONDITIONS DURING THE SEASON.**

**Tie Games:** If the game is tied at the end of the time limit the teams may play one additional inning. Each team will begin their half inning with a runner on second base; that runner shall be the last out from the previous at bat. If, after the extra inning, the game is still tied the game will enter the record book as a tied game.

**Metal Cleats:** Metal cleats are not allowed

**Uniforms:** It is recommended that all teams attempt to wear matching jerseys and/or full uniforms. This is not a requirement.

**Dugouts:** Only players, coaches and site supervisors are allowed in the dugouts. *Children are not allowed in dugouts or on the field of play. Games will be delayed until children have left the dugout.*

**Infield Practice / Soft Toss:** There will be no infield practice allowed between games. Soft toss against fences is prohibited due to the extensive damage it causes.

## ***BATTING RELATED RULES AND REGULATIONS***

**Site Supervisor:** A Site Supervisor will be assigned to each complex. Home team will keep track of the score on the score sheets provided by the site supervisor. Make sure the batting line-up is exchanged with each team at least 5 minutes prior to game time; line up cards are available from the site supervisor and should include the player's last name and first initial.

**Run Rule:** A team ahead by 12 runs after five complete innings automatically wins. A team ahead by 20 runs after three complete innings automatically wins. Any team ahead by 25 runs, at any, point automatically wins.

**Bat Rule:** Men's and Co-Rec Leagues may use all bats that meet ASA bat performance standards. Teams cannot use the bats found on the ASA Illegal Bat List. The list can be found on the ASA website, [www.asasoftball.com](http://www.asasoftball.com) the Parks & Recreation website and posted in each dugout. Site supervisors have colored copies of each illegal bat.

**Batting Order Options:** Teams will have two batting order options.

(1) ASA rules regarding batting order, re-entry and substitutions. This option would represent traditional baseball/softball.

(2) Unlimited batting will be allowed. All players present will be placed in the batting order. Players will not share a spot in the order (men's leagues) There will be free substitution in all fielding positions.

Each team will inform the umpire which option they will play prior to the start of the game. The decision will be final with the first pitch of the game.

**Batting Order Vacated:** In all leagues, if a player leaves the game due to injury or simply leaves and does not return or is ejected, his/her spot on the official score sheet can be taken by a bench substitute. If a substitute is not available, that position in the line-up is an automatic out for the player's next scheduled at bat. After the one turn at bat, the position will be passed over with all players moving up in the batting order.

**Strike Zone:** A mat will be used during all softball play. If the ball touches any part of the mat or home plate the pitch will be considered a strike. The ball must be delivered with a perceptible arc and reach a height of at least six feet from the ground while not exceeding a maximum height of twelve feet from the ground

**One and One Count:** All batters will begin their turn at bat with one ball and one strike. After two strikes on a batter, the second foul ball will result in an automatic out.

**Bat Throwing:** Any player that deliberately throws a bat will be ejected from the game. In the case of an accidental bat throwing the umpire will issue a warning.

**Home Run Rule:** Two HOME RUNS per inning will be allowed at all fields.

### ***BASE RUNNING / FIELDING RULES AND REGULATIONS***

**Interference:** It is the responsibility of the base runner to avoid contact with the ball and/or defensive player and not interfere in any way with the completion of the play. Contact is not always necessary – arm waving/yelling may be interference. Result: base runner will be called out.

- If you slide or run past the bag and contact the defensive player the runner is considered out of control for the situation and in violation.
- If you are obviously going to be out (force play) or you prefer not to slide, give up the play and move out of the base path.
- The emphasis will continue to be the protection of the defensive player.

**Fielding:** Any defensive player who, in the opinion of the umpire, deliberately throws the ball at a base runner will be ejected, with the strong possibility of further penalties after the incident is reviewed. This type of play will not be tolerated.

**Roll Block:** The roll block and /or take out slide is illegal. All base runners must slide directly to the base and /or attempt to avoid all contact with the defensive player. This type of play can be very dangerous and will not be tolerated in Tempe Parks and Recreation leagues. The penalty is ejection with the strong possibility of additional penalties after the incident has been reviewed.

**Safety Home Plate:** The Co-Rec leagues will use a second or safety home plate, which should eliminate potential home plate collisions.

**Blood Rule:** A participant or umpire who is bleeding or has blood on his/her clothing shall be prohibited from further participation in a game. Bleeding must be completely stopped before an individual can resume play. If a player's clothing is blood soaked it must be changed.

**Courtesy Runner:** One courtesy runner is allowed per inning. The courtesy runner is typically the last out or a non player using the following guidelines:

- A. In the event there are no outs in the first inning the courtesy runner will be the last person in the batting order.
- B. The scorekeeper will inform the teams of who the courtesy runner is. If the scorekeeper makes an error, the correct person will then be placed in the game .
- C. In the event the courtesy runner is coming to bat, the last run to score will be the runner.

D. In the event the same runner gets on base twice in the same inning, he/she may be run for twice or for as many times as the runner gets on base in the same inning.

### **AWARDS:**

Tournament winners will receive a trophy.

Champions in each league will receive 15 famous Tempe softball t-shirts.

***SPORTSMANSHIP      "IT'S A SPORT !"      "BE A SPORT !"***

Athletic competition, at the community recreation level, can be a rewarding lifetime activity. The City of Tempe endeavors to provide a safe and enjoyable experience that is worthy of the time and money expended and an activity which can be enjoyed by an entire family. The end product, or the quality of the experience, will rest with

the attitude each participant brings to the contest.

As a staff, we hope the individual competitors will rely on an old standard-----***sportsmanship***. Compete hard and compete within the rules. What society might see at the college or professional level does not necessarily enhance the experience at the community level. When the moment of frustration rears its head ---experience the moment and move on with the contest. Remember, enjoy the recreation activity for just what it is----a game. Pursue victory with honor.
